Percent satisfied with school-home relations	66.6%	88.6%	71.4%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Aiken Middle School is located on the north side of the City of Aiken. The school has a large attendance area with a student population from diverse backgrounds. The school serves the communities of Aiken, Couchton, Montmorenci, and Windsor. Our school has an enrollment of 580 students with a poverty index of 83 percent. Our faculty and staff of sixty two strive to maintain a focus on improving student instruction and raising the levels of student achievement.

Our Title I funds were utilized to provide additional technology and programs to students for their use in the classroom and as a tool for remedial purposes. We also used Title I funds to lower class sizes and provide instructional materials for student use. Funds were used to provide professional development for the faculty and staff in cross content literacy and to provide a focus on improving writing skills. All of our classrooms have interactive white boards and a trained staff to use them. The school utilizes laptop carts, I-pod carts, and three computer labs.

During the school year, we worked with our PTO and SIC to provide opportunities for students and parents. Our school offered workshops on violence prevention and extended invitations for parents to participate in activities with their students. Some of these included a school pageant, numerous academic award programs, athletic and academic award banquets, dances, transition visits, and celebrations for good behavior. Our school raised funds for the SPCA, United Way, the Golden Harvest Food Bank, the American Heart Association, and Relay for Life. Our band performed at the Breezy Hill Christmas Program, Disney World, and several concert festivals. Seventeen students qualified for All-County Band, two for All-Region Band, and nine 6th grade students were selected for the Da Capo Band Clinic. Nine students were selected for the AC-Gateway gifted summer program and we had six Junior Scholars. Our Junior BETA Club also inducted its largest class in school history. We hosted several student interns from USC-A and we served as a field testing site for the Smarter-Balanced 8th grade math assessment.

Professionally, our staff attended numerous professional development offerings on classroom management, literacy, writing, working with special needs students and implementing the CCSS and district curriculum. We will continue to strive to improve classroom instruction and offer additional opportunities to our students. Improving student achievement and preparing students for success at the next grade level and beyond will remain our school's focus.

John Bradley, Principal
Tina Burrell, SIC Chairperson
